

Driving directions to Dry Creek Ranch

From Dallas:

Head North on the Tollroad until it ends and turns into a regular street.

You will pass 380 and continue going straight until you come to a "T" at Hwy 428. Turn right, (heading east) and it will curve around for only 1.7 miles.

You will come to another "T" at Hwy 455. Turn left (heading west) towards Pilot Point, drive for 11.5 miles until you get to an intersection with Hwy 377 in Pilot Point. Turn right.

Drive 12 miles on Hwy 377 until you see the big Collinsville water tower. 2.1 miles past the water tower there will be a sign on the right for Lynch Crossing. Turn left over the railroad tracks onto Lynch Crossing.

Stay on that road for 3.2 miles as it curves around and turns into a white rocky road. You will see our Dry Creek Ranch sign on the left with a mailbox on the right with an address of 3276.
